

PANELES AISLANTES PUREVER S.L. aware of the need to ensure the service it provides to its customers, wishes to guarantee their quality through the implementation of a Quality and Environmental Management System.

To this end, it has been based on the model defined by the UNE-EN-ISO 9001:2015 and UNE-EN-ISO 14001:2015 Standards, on Quality and Environmental Management Systems, through which it wishes to ensure the correct functioning of the Quality and Environmental Management System, as well as that the recommendations and requirements of the certifying bodies are met, Standards, regulations, customer specifications and good practices necessary in each case.

This Quality and Environmental Management System, whose main objective is customer satisfaction, gives scope to the activities of:

- **Production and marketing of sandwich panels with insulating core**
- **Marketing of accessories for cold rooms, for the enclosure of facades and for industrial roofs**

The Management of **PANELES AISLANTES PUREVER S.L.** undertakes to provide the material and human resources that are necessary to provide the required level of service and to be able to achieve the following objectives:

- Promote the **continuous improvement of a Quality and Environmental Management System** by putting into play all the resources it deems necessary for the strengthening of these bases and the achievement of our objectives.
- Adopt the **commitment to comply with the legal and regulatory** requirements that apply to it, in addition to the requirements of the Quality Management System according to ISO 9001: 2015 and the **requirements of the Environmental Management System according to ISO 14001: 2015.**
- Work so that the **product** is in accordance with the expectations of our customers and that our **products** comply with the regulations that apply to it.
- **Involve staff to collaborate in the improvement of the system through continuous training in their respective areas.** In the same way, you will be continuously motivated to carry out your mission with the highest degree of satisfaction for our customers.
- Commitment to take into account the **risks and opportunities** that may affect the conformity of the process.
- Commitment to **protect the environment** and our environment, through actions and measures aimed at preventing any type of pollution that may originate from operations due to our activity.

The Quality and Environment Policy is disseminated to all staff through training seminars and by placing a controlled copy on the bulletin board of PANELES AISLANTES PUREVER S.L. In this way, PANELES AISLANTES PUREVER S.L. ensures that the Quality and Environment Policy is understood by all company staff. It is also available to all interested parties.
